Grading and Expectations

1. **1/3** of your grade will come from **in-class participation and behavior**. This means you are on task; you are encouraging and supporting your classmates. You have a good attitude and you are participating enthusiastically. The evidence of this will be in the second part of your grade.
2. **1/3** of your grade will come from your **Spanish Notebooks and Task Completion**. All of your Spanish work will take place at school in class. If you are on task your Spanish Notebook will include a Table of Contents (Tabla de materias) and all or your completed in-class tasks will be in your notebook in order. Each task in your notebook will have it's own grade.
